1. Call to Order

Mayor Sayeau called the meeting to order at 6:05 p.m. and introduced the subject matter and Mr. Robinson who completed the report.

2. Presentation & Comments from the Public

Mr. Robinson provided an overview of the changes in the Engineer's Report and explained why there is a need to amend the report. Mr. Robinson outlined the background information with respect to the appeal to the Drainage Referee and how it resulted in an order from the Tribunal. Mr. Robinson provided a brief explanation with respect to how the assessment schedule may be affected by the changes in drainage and the report that incorporates those changes.

The following questions/comments were raised from the public and responded to by Mr. Robinson:

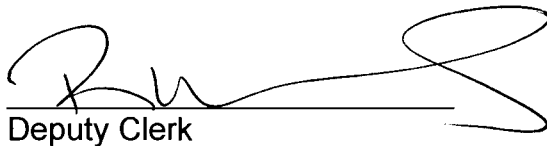

- What was the nature of the maintenance work completed?
- Location of the maintenance work.
- When will the new assessment be mailed to the affected landowners?
- When will landowners receive the refunds?
- Has the benefiting land owners submitted payment to the Township?
- Clarification with respect to how the JRDR municipal drain directly affects specific properties.
- Clarification with respect to benefit types.

3. Adjournment

Moved by: J. Hunter seconded by: S. Dillabough that the public meeting does now adjourn at 6:36 p.m.
