

NOTICE OF STUDY COMMENCEMENT

MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT SPENCERVILLE LAGOONS EXPANSION

The Spencerville Lagoons are currently operating at approximately 70% of its rated capacity. With the growth rates soaring in the surrounding communities, the Township has identified the potential expansion of the Spencerville Lagoons as permitting additional growth within the serviced area.

The project is being planned following the Schedule B (Wastewater) process in the Municipal Class Environmental Assessment 2023.

Project Contacts include:

Township of Edwardsburgh Cardinal – Dave Grant, CAO, 613-658-3055, x 104
dsgrant@twpec.ca

EVB Engineering – Marco Vincelli, Project Manager, 613-935-3775,
marco.vincelli@evbengineering.com

Public, Indigenous community and stakeholder input and comment are invited, for incorporation into the planning and design of this project and will be received until May 17, 2024. Subject to the identification of a preferred plan to expand the wastewater

system, and the receipt of the necessary approvals, the proponent intends to proceed with the implementation of this project.

Please note that ALL personal information is collected, maintained and disclosed by the Ministry of the Environment, Conservation and Parks for the purposes of transparency and consultation. The information is collected under the authority of the Environmental Assessment Act or is collected and maintained for the purpose of creating a record that is available to the general public as described in Section 37 of the Freedom of Information and Protection of Privacy Act. Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential. For more information, please contact the Ministry's Freedom of Information and Privacy Coordinator at (416) 327-1434.

This Notice is issued April 24, 2024.
