

Addendum #2

Please see the following questions and clarifications:

Q1: What volume of the excess soils will be sent to the noted receiving site? Does the receiving site have any governing instruments (e.g. ECAs) that would apply to the excess soils being received?

A1: The volume of excess soils that can be received at the site noted is unknown at this time, and no ECA is applicable.

The bidder shall sign and include this page with their submission to be considered.
