Scope of Work

New Asphalt Sidewalk – Install a 2m wide sidewalk – sidewalk construction includes 150mm depth of granular A compacted per OPSS specification and 50mm of HL3 asphalt compacted per OPSS specification. Tie-in to existing sidewalks and curbs must be flush and level. See diagram below for location. Working with owner at 623 to confirm interest in proceeding with provisional sidewalk.

Note: Stripping and clearing of earth (approximately 150mm depth) will be done by Township staff.

Replacement of Existing Asphalt Sidewalk – requires saw cutting or equivalent to existing asphalt driveways to create a clean butt joint for tie-in of new asphalt sidewalk. Additional of granular A as required for leveling and compaction of subsurface prior to installation of new asphalt sidewalk. Install a 1.5m wide 50mm HL3 asphalt sidewalk per OPSS specification.

Note: Removal of existing sidewalk will be done by Township staff. There are two hydrant guard valves within the existing sidewalk.

See diagram and photo below showing area and existing condition of asphalt Sidewalk

The lowest or any Bid will not necessarily be accepted.

1. General Provisions

Regulations

The Contractor shall abide by all applicable Provincial and Federal Statutes and regulations, including the Occupational Health and Safety Act of Ontario, the Employment Standards Act, Industrial Standards Act, and any other legislation that may be relevant to the proper performance of the work.

Project Management

The implementation of this Contract will be under the jurisdiction of the Public Works Manager or his duly appointed designate. Any changes to the provisions of this agreement will be made in writing.

Performance Criteria and Work Inspection

It is incumbent upon the Contractor to utilize adequate equipment and work effort that is suitable to providing the anticipated results. The Public Works Manager may periodically inspect the work. The Contractor shall promptly correct work that does not meet the established performance criteria to the satisfaction of the Public Works Manager at no additional cost to the Contract.

Payment

Payment at the Contract Unit Price shall be considered compensation in full for performance of the work specified and for the supply of all labor, equipment and material (except as otherwise provided) necessary to complete the work to the satisfaction of the Public Works Manager.

The Tender Quantities are estimates only, and payment will be made on actual quantities supplied, hauled, applied and approved by the Public Works Manager. Should such increase or decrease exceed 20% of the Tender Quantities, however, either party to the Contract may submit a written request for a revision to the Unit Price, citing the reasons for said request.

Payment will be made within 30 days of receipt of the approved invoice.

Taxes

Harmonized Sales Tax (HST) shall be **in addition to** the tendered unit price. HST shall be **shown separately** on each invoice, and will be paid to the Contractor in addition to the amount certified for payment.

2. Specific Provisions

Materials Hot Mix Asphalt

The Performance Grade Asphalt Cement (PGAC) is to be 58-34.

Asphalt Cement (AC) content to be a minimum of 5% by mass mixture.

The Contractor shall be responsible to provide the asphalt mix design at his own expense, which shall conform to the requirements for the type of asphalt mix specified.

Testing of asphalt shall be undertaken at the discretion of the Public Works Manager. The cost of testing shall be borne by the Township.

The Contractor shall be responsible for the quality and characteristics of the mixture, and if the hot mix produced is not suitable, hot mix production shall stop and appropriate corrections made to the process. When field testing for Marshall properties shows that the mix produced with the job mix formula does not meet the Marshall design requirements, the Contractor shall re-evaluate and redesign the mixture.

Traffic Control & Detours

The Contractor shall provide all traffic control and detours necessary for the proper execution of the work. Proposed traffic control measures and/or detours shall be submitted to the Public Works Manager for approval prior to commencement of work.

Loading of Vehicles or Equipment

Where a vehicle or equipment is hauling material for use under the Contract, the Contractor shall ensure that said vehicle or equipment is not being loaded beyond its legal limit.

Damage by Vehicles or Equipment

If at any time in the opinion of the Public Works Manager, damage is being done or is likely to be done to any highway or any improvement thereon by the Contractor's vehicles or equipment, the Contractor shall, at his/her own expense, make changes in or substitutions for such vehicles or other equipment, or shall in some other manner remove the cause of such damage to the satisfaction of the Public Works Manager.

3. Tender Requirements

General

The Tender Form, supplied by the Township must be fully completed and in the possession of the Township on or before the Tender Closing date and time. Tenders received after the closing time shall not be considered, but shall be returned unopened to the bidder.

The Tender Form must be signed by a duly authorized official of the bidding organization in order to be valid.

The tender must be legible, written in ink or typewritten, and all items must be bid unless otherwise specified. Any erasures, over-writings or strikes-outs must be initialed by the official signing on behalf of the bidding organization.

Alternative proposals shall not be considered unless requested in the tender documents.

Any correspondence by mail or telephone, pertaining to adjustments or corrections to a tender already submitted, shall not be considered. A bidder wishing to make adjustments to a tender must first withdraw the original tender and re-submit the alternative bid on the prescribed Tender Form and in accordance with the provisions contained herein prior to the closing.

Understanding of Work Requirements

It is the responsibility of each bidder to satisfy themselves with respect to the physical conditions and/or constraints of the work area. Moreover, it is incumbent upon the bidder to read the tender documents thoroughly, and to ensure that they fully understand the provisions contained therein.

Questions or concerns about the tender process or the work provisions should be directed to:

Form of Agreement

TERMS OF SERVICE AGREEMENT BETWEEN:

The “**Corporation of the Township of Edwardsburgh Cardinal**”
(hereinafter referred to as the “**Township**”)

And

(hereinafter referred to as the “**Contractor**”)

TOWNSHIP’S OBLIGATIONS

1. The Township shall provide access to the work site at all reasonable times as may be required in the execution of the Contractor’s duties.
2. The Township shall provide instructions and information to the Contractor that may be necessary in the proper execution of duties.
3. The Township shall process payment for approved invoices within 45 days of receipt.
4. The Township may terminate this Agreement:
 - a) For failure to comply with the terms of this Agreement immediately on providing written notice of termination, or
 - b) For any other justified cause upon providing at least 10 days written notice of termination.

If termination is under paragraph (b), the Township shall pay that portion of outstanding fees owing to the Contractor as is applicable to the completion of satisfactory service prior to termination.

CONTRACTOR’S OBLIGATIONS

1. The Contractor shall provide all labor and equipment necessary to fulfill the obligations of the Contract within the terms specified.

2. The Contractor shall employ only qualified and competent persons to perform the required work, and shall ensure that said individuals are adequately trained and supervised to fulfill their work duties.
3. The Contractor shall receive and abide by all instructions from the Township that may be relevant to the proper performance of the work.
4. The Contractor shall inform the Township in writing of any problems encountered during the course of work performance, or of any relevant issues requiring the Township's attention.
5. The Contractor shall submit invoices in a timely manner, and shall provide all relevant supporting information as may be required from time to time.
6. The Contractor shall not employ the services of a sub-contractor in the performance of contractual obligations without the written consent of the Township.
7. The Contractor shall not assign his/her rights under this Agreement without prior written consent from the Township.
8. The Contractor shall not provide services to any parties that may, in the Township's reasonable opinion, give rise to a conflict of interest between the Contractor's duties to said parties and to the Township.
9. The Contractor shall abide by all applicable laws and regulations, and shall maintain all required licenses, permits, policies and coverages (i.e., WSIB, \$5,000,000 Public Liability Insurance naming the Township as an additional insured, \$2,000,000 Vehicle Liability Insurance) throughout the term of this Agreement.
10. The Contractor shall indemnify and save harmless the Township, its employees and agents from any losses, claims, damages, actions, causes of action, costs or expenses that we or any of our employees or agents may sustain, incur, suffer, or be put to at any time, either before or after this Agreement ends, which are based upon, arise out of or occur, either directly or indirectly, by reason of any act or omission by the Contractor or any of his/her agents, employees, officers, directors, or subcontractors in providing the services.

GENERAL

1. Any unresolved disputes between the Contractor and the Township arising from this Agreement shall be referred to and finally resolved by arbitration under the Commercial Arbitration Act.
2. Any notice contemplated by this Agreement must be in writing, and either:
 - a) Sent by fax or e-mail to the addressee's appropriate direction, as specified in this Agreement;

- b) Delivered by hand to the addressee’s place of business;
- c) Delivered by hand to the addressee’s duly authorized agent or employee;
- d) Mailed by registered post to the addressee’s place of business.
