Coverage shall specifically include but not be limited to the following: blanket contractual liability, damage to all property of OPG, including loss of use thereof, pollution liability coverage on at least a sudden and accidental basis, products & completed operations, employer’s liability; non-owned automobile liability; the Licensee’s legal liability and, broad form property damage with respect to the Licensee’s business, use or occupation of the Licensed Lands by the Licensee or any of its servants, agents, contractors or persons for whom the Licensee is in law responsible and showing OPG as additional insured with respect only to liability arising from the operations of the Licensee and with a severability of interests and a cross-liability clause; and

The Licensee will deliver to OPG prior to the date it occupies the Licensed Lands for any purpose, and thereafter at OPG’s reasonable request, certificates of insurance evidencing the Licensee’s insurance policies. Failure of OPG to demand such certificate or other evidence of full compliance with these insurance requirements or failure of OPG to identify a deficiency from evidence provided will not be construed as a waiver of the Licensee’s obligation to maintain such insurance. The acceptance of delivery by OPG of any certificate of insurance evidencing the required coverage’s and limits does not constitute approval or agreement by OPG that the insurance requirements have been met or that the insurance policies shown in the certificates of insurance are in compliance with the requirements;
- (d) All policies will contain an undertaking by the insurers that no cancellation or termination of any policy will be made unless OPG has received at least thirty (30) days prior notice of the change, which notice shall be delivered in accordance with Section 11 of this Licence;
- (e) If the Licensee at any time fails to take out, keep in force or pay the premiums on any insurance as required in this Licence, or if the Licensee fails from time to time to deliver to OPG satisfactory proof of the good standing of any such insurance or the payment of premiums as required in this Licence then OPG will, without prejudice to any of its other rights and remedies under this Licence, have the right, but not the obligation, to place such insurance on behalf of the Licensee. This cost together with all expenses incurred by OPG and an amount equal to Fifteen Percent (15%) of those costs and expenses to cover OPG’s overhead and supervision costs will be paid by the Licensee to OPG promptly upon demand.

6. PROTECTIVE INSTALLATIONS

In the event OPG considers it necessary that any of the OPG Works be fenced or otherwise protected or made separate, the Licensee shall at its sole cost and expense, erect and maintain such fences or other protective installations as OPG may reasonably require.

7. OPG ACTIVITIES

- (a) Notwithstanding anything to the contrary in this Licence, the Licensee acknowledges and agrees that the primary use of the Licensed Lands is for OPG's operations, and the Licensee's use is secondary to OPG's in all material respects, and the Licensee further acknowledges that its operations may from time to time be affected, adversely or not, by OPG's operations.
- (b) OPG will have the right, without invalidating or terminating this Licence, to suspend the Licence for such reasonable period of time as OPG may require for safety, security or emergency operational purposes, by giving the Licensee twenty-four (24) hours' written notice, where practicable. OPG will not be liable to the Licensee for any costs, damages or loss occasioned thereby.

8. INCREASE IN OPG'S COSTS

If at any time or times this Licence or any of the operations carried out pursuant to this Licence or any improvements made to the Licensed Lands by or for the benefit of the Licensee should, in the reasonable opinion of OPG, directly or indirectly increase the cost or expense of any existing or future OPG Works, or the maintenance, construction or operation thereof, the Licensee shall pay to OPG upon thirty (30) days' prior written notice from OPG, such increase in cost or expense, including without limitation, the cost to OPG of acquiring any additional lands or rights which would not have been required but for the existence of this Licence or of the Licensee's improvements, use or possession of the Licensed Lands; provided that the Licensee shall have the option of terminating this Licence within such 30 day notice period, in which case all other provisions of this Licence (including restoration obligations under Section 6 (k)) shall be applicable.

9. PERMITTED ENCUMBRANCES

This Licence and the Licensee's interest herein shall be subject to all existing leases, licences, easements, rights of use or occupation and other property rights which may exist at the date hereof, whether or not registered, and OPG may from time to time renew or extend such arrangements or enter into new ones, whether or not with the same parties, and to which new arrangements this Licence shall also be subject, so long as the rights granted thereunder do not interfere unreasonably with the Licensee's use of the Licensed Lands.

10. LIMITATION OF LIABILITY; REMEDIES

- (a) In consideration of the rights and privileges granted herein, the Licensee shall assume all liability and obligation for any and all loss, damage or injury (including death), by reason of fire, accident or otherwise to all persons or property, howsoever arising, as a result of or connected in any way with the use and occupation of the Licensed Lands or that otherwise would not have occurred but for the granting of this Licence or the use and occupation of the Licensed Lands by the Licensee or any Authorized Representatives, save and except for any loss, damage or injury (including death) arising out of OPG's gross negligence or willful misconduct (or any person for whom it is in law responsible). The Licensee does hereby release and forever discharge OPG, its subsidiary and affiliated corporations, predecessors, agents, successors, assigns and all persons acting on its or their behalf (together, the "**OPG Indemnitees**"), from all claims, actions, suits, demands or any proceedings which are attributable to or connected with, or arising from, or that which would not have occurred but for the granting of this Licence or the use and occupation of the Licensed Lands by the Licensee or its employees, agents, contractors, sub-contractors, consultants, workers and permittees, including any charges, expenses or costs associated therewith, and whether arising in law, equity, or otherwise and in further considerations of same. The Licensee hereby agrees to indemnify and save harmless the OPG Indemnitees from and against all such claims, actions, suits, demands or proceedings which are attributable to or connected with, or arising from, or that which would not have occurred but for the granting of this Licence or the use and occupation of the Licensed Lands by the Licensee or its employees, agents, contractors, sub-contractors, consultants, workers and permittees, including any expenses or costs associated therewith, and whether arising in law, equity or otherwise, save and except for any loss, damage or injury (including death) arising out of OPG's gross negligence or willful misconduct. These indemnities are in addition to any other indemnities contained in this Licence and shall survive the expiration or earlier termination of this Licence.
- (b) All personal property owned by or in the possession of Licensee on the Licensed Lands shall be at the sole risk of the Licensee. OPG shall not be liable for any loss or damage thereto, however occurring. The Licensee releases and indemnifies the OPG Indemnitees from all claims and demands in respect of any such loss or damage.

- (c) With respect to Hazardous Substances which are on or under or about the Licenced Lands as of the initial date of this Licence ("**Prior Hazardous Substances**") or any breach or violation of any Environmental Law respecting the Lands which existed prior to the initial date of this Licence ("**Prior Environmental Law Breaches**"), the Licensee shall have no responsibility or obligation whatsoever to remediate the Licenced Lands in relation to Prior Hazardous Substances or to rectify Prior Environmental Breaches except to the extent that a liability or obligation to remediate Prior Hazardous Substances or to rectify Prior Environmental Law Breaches has resulted or arisen out of or would not otherwise have occurred but for the Licensee's activities on the Licenced Lands during the Term. The Licensee agrees that OPG is not obliged to provide the Licensee or any of its Authorized Representatives with a list of or any information relating to Hazardous Substances on, under, or about the Licenced Lands and that if such a list or information is required to be provided to any of the Licensee's Authorized Representatives, pursuant to statute or otherwise, this is the Licensee's obligation alone.
- (d) Without limiting the foregoing, if at any time OPG or the Licensee is required by any governmental authority pursuant to any Environmental Laws to take remedial action in respect of Hazardous Substances or any breach or violation of Environmental Laws respecting the Licenced Lands which would not have occurred but for the granting of this Licence or the Licensee's or its Authorized Representatives' use, occupation or activities on the Licenced Lands, then Licensee shall, at its cost, take all required remedial action in respect of the Hazardous Substances or breach or violation of Environmental Law, including any repairs or replacements to the Licenced Lands and the facilities and the removal, treatment, disposal, restoration and replacement of the soil or any other part of the Licenced Lands.
- (e) OPG shall have all remedies, including without limitation, damages and injunction, available to OPG at law or in equity arising upon any default by the Licensee under this Licence.

11. EVENTS OF DEFAULT AND TERMINATION

An event of default ("**Event of Default**") shall be deemed to have occurred hereunder if any one or more of the following events occurs:

- (a) if default is made in the due payment of any monies payable hereunder, and such default is not remedied within five (5) days after written notice specifying the default has been delivered by OPG to the Licensee;
- (b) if default is made by the Licensee in the performance of or compliance with any other covenants, agreements, terms or conditions contained in this Licence, other than those referred to in subsection 13(a) above, and such default has not been remedied within fifteen (15) days after written notice specifying the default has been delivered by OPG to the Licensee, or in the case of failure to obtain or maintain insurance, within three (3) Business Days after written notice specifying the default has been delivered by OPG to the Licensee, or in the case of a default which affects, or is likely to affect, the operations of OPG, within twenty (24) hours after written notice specifying the default has been delivered by OPG to the Licensee. However, with respect to any such default (other than a failure to obtain or maintain insurance, or a default which affects, or is likely to affect, the operation of OPG for which there shall be no extension) which is of a nature that it cannot, with reasonable diligence, be cured within a period of fifteen (15) days, an Event of Default shall not be deemed to exist if the Licensee has commenced to diligently cure such default within ten (10) days after written notice thereof from OPG and so long as the Licensee thereafter proceeds with all due diligence and takes all appropriate action to complete the curing of such default;
- (c) if the Licensee files a voluntary assignment in bankruptcy or is adjudicated bankrupt or insolvent, or files any petition or answer seeking a reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief from creditors under any Applicable Laws, or seeks or consents to or acquiesces in the appointment of any trustee, receiver or liquidator of the Licensee or of all or of any substantial part of its property, or makes any general assignment for the benefit of creditors, as the case may be;
- (d) if a petition is filed against the Licensee or any party comprising the Licensee seeking an adjudication of bankruptcy of the Licensee or the reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief from creditors under any Applicable Laws and remains undismissed or unstayed for an aggregate of ninety (90) days (whether or not consecutive), or if a trustee, receiver or liquidator of the Licensee or of all or of any substantial part of its property, is appointed and such appointment remains unvacated or unstayed for an aggregate of 90 days (whether or not consecutive).

If any Event of Default occurs, then and in every case and so often as same shall happen, OPG shall have the right, at its option, and in addition to any other rights or remedies which OPG is entitled to hereunder or at law or in equity:

- (e) to remedy any default of the Licensee, provided that the Licensee shall pay to OPG promptly upon demand all reasonable costs incurred by OPG in remedying or attempting to remedy any such default; or
- (f) to re-enter onto the Licensed Lands or to terminate this Licence with or without re-entry, by giving the Licensee not less than ten (10) days' notice of cancellation and termination, and upon the expiration of the time fixed in such notice, all rights of the Licensee with respect to the Lands or any part thereof and this Licence shall be absolutely forfeited and shall lapse in the same manner and with the same force and effect as if the expiration of the time fixed in such notice of cancellation and termination were the end of the term including all permitted extensions.

12. FORCE MAJEURE

If either Party shall be prevented or delayed from punctually performing any obligation or satisfying any condition under this Licence by any strike, labour dispute, Act of God, fire or other casualty or by any other event beyond the control of such party, other than financial inability, then the time to perform such obligation or satisfy such condition shall be postponed by the period of time consumed by the delay, provided that nothing herein contained shall be construed so as to postpone or delay the payment of the Licence Fee or other sums owing hereunder.
