

SECOND COMMUNITY LIAISON COMMITTEE (CLC) MEETING

You are invited to attend and observe the second Community Liaison Committee (CLC) meeting for the Skyview 2 Battery Energy Storage (BESS) Project. The CLC provides a space for regular, open communication between local residents, interested parties, and Skyview BESS Inc. as the project moves forward through construction and into operations.

At this upcoming meeting, you'll receive a project status update, learn about recent and upcoming activities, and have a chance to discuss community questions and concerns related to the Project. We look forward to seeing you there!
